Try Us First

It's as easy as

1 **JOBLINK** saves you time and money

Advertising in costly online marketing sites can be expensive, but with just one phone call, you will be connected to trained workforce coordinators who will advertise and market your job openings **at no cost to you.**

We can save you time and money by marketing your current job openings at more than 30 different:

- Job Talk sessions
- Job centers
- Employment service providers
- Training centers throughout Sacramento County and surrounding communities

Take advantage of employer tax credits

Our Workforce Coordinators can show you information on how to take advantage of tax credits designed for employers like you. Call us for more information.

2 **JOBLINK** markets your jobs

We create job listings that get noticed by those with the skills and qualifications you're looking for. Each listing has detailed information about job requirements, salary and the application process, and we'll even pre-screen those applicants referred to you.

You control the hiring process.

You'll also be invited to attend our "Job Talk" sessions to discuss your hiring needs and meet prospective applicants.

3 **JOBLINK** gets results

We receive many inquires per year from job-seekers calling our job line. More than 5,000 attended recent Sacramento County-sponsored employment workshops, job fairs and special recruiting events.

We have helped hundreds of employers in the Sacramento area fill their job vacancies and in the process have put thousands of job-seekers to work.

If you have jobs in need of qualified people, call us.
