achieving a united and effective voice for Sacramento residents in need of health and human services.

Over the past few years, the Department of Health Services (DHS), Department of Child, Family and Adult Services (DCFAS) and DHA have rotated the staffing for the HSCC. To avoid conflict of interest and possible audit findings, the departments have determined that an outside party will take over the responsibilities of providing staffing and coalition management to the HSCC. On January 10, 2024, DHA released a request for Letters of Interest (LOI) for qualified agencies to carry out this work. VVI was the only agency that responded. VVI was deemed qualified and awarded the contract.

VVI is a civic leadership organization that utilizes research, convening and community engagement to drive action. Valley Vision draws the knowledge, expertise, and enthusiasm of multiple stakeholders to ensure a comprehensive understanding of community issues and co-produce solutions that materialize in results. Additionally, VVI is a champion of alignment to ensure efficient use of resources and maximum impact.

VVI will provide the following services:

- Hold regular meetings with county staff to keep informed on project needs, progress, and challenges.
- Identify overlaps with other committees and implement a coordinated strategy.
- Research and build understanding of current structure, historical background, and future priorities.
- Conduct key interviews with Board of Supervisors (or designated staff), HSCC chair and members, and member advisory board chairs.
- Share discoveries and recommendations for HSCC best use and role.
- Assist with preparing meeting materials in consultation with members and county staff as well as record and distribute meeting notes.
- Track the processes of member recruitment and selection.
- Assist with effective meeting facilitation and moderation; empower voices and establish equity in participation.
- Examine current bylaws and assist with committee review and refresh.

- Ensure members, chairs and co-chairs understand their roles and responsibilities.
- Conduct leadership retreat, strategy and/or vision sessions with chairs and co-chairs.

**71-J Analysis**

County Counsel has reviewed the requests in this letter and has determined that the services identified are not subject to 71-J requirements because County civil service employees currently are not providing these types of services.

**FINANCIAL ANALYSIS**

This recommendation does not require any additional General Fund. All four county departments will absorb their share of costs within existing appropriations in the FY 2023-24 Adopted Budget. Further, all departments will continue to absorb their share of costs in all subsequent fiscal year budgets.
