

The Health and Human Services Coordinating Council Heroes of Human Service Award was created to honor those who have touched the lives of others through their advocacy, dedication, service, and support throughout Sacramento County.

We are looking for individuals/groups who have demonstrated outstanding involvement and commitment to their community.

The Heroes of Human Service Award questionnaire must be filled out in its entirety. You may nominate as many individuals as you like, but please only submit one nomination per individual or group.

Eligibility

Nominees must have demonstrated a commitment to their community by providing residents of Sacramento County with the resources, services, supports, or opportunities needed to improve quality of life and social functioning.

Nominees may be an individual or someone from a volunteer organization, club, or committee: Examples include grassroots organizations, nonprofit organizations, or local churches whose initiatives go beyond the scope of their regular employment. Please note that County employees are not eligible.

A panel representing the Sacramento County Board of Supervisors and the Health and Human Services Coordinating Council will make the selection of honorees, and those selected will be notified by their respective Supervisor's office.
